

## MONSOON MADNESS 2017 – An update:

We are now closing in on the monsoon season and aptly entering the Monsoon Madness time in Goa. This note is further to the second recce done to fine tune the arrangements. Firstly, just to let you know, we have around 60 hashers registered and 80% of them have registered for the four day three night do. This definitely is a great sign of the joy of being here during the forth-coming monsoon season.

To bring you up to date, we have the first run fully recce and the run is going to be around 9 km and the walk is going to be 6+ km. The start is from the Three Kings Church which ends very close to the beach. The buses will take you to the top of the hill for a very picturesque view and will pick you up from the beach where we will have the circle to take you back to the resort.

The second run will be a beautiful mini forest run close to the resort and will start and end at the resort. (A to A) We could well interchange both the runs to facilitate all.

Another important all-loving part is, we now have a full-fledged hash band with the likes of Cocofonix, (Dippy), Casper the friendly ghost (Richard Gasper), Singing Arsehole (Sam), and Arnab, with the singing talents of Dilyara, Danielle, Rohan, Jovita, Nitya, and the band is called **Dirty socks and Rusted cocks**. This band will be in action on the 14<sup>th</sup> and 15<sup>th</sup> and a DJ will eek out the wonderful sounds of music on the 16<sup>th</sup>. By the way, we have taken a basement sound proof hall for the evening parties.

The Sunday morning Hang-over run is also recce around the picturesque Bogmallo resort followed by lunch and then starts the sad part of bidding Adieu. While we do have some hard core hares, you are welcome to join in on the setting of the runs. Help with sponsors is also very welcome. Do let me know of your interest in doing so.

ON ON to Monsoon Madness 2017
